Experience

Counselor of STEM Programs, Germantown Academy Summer Programs
Germantown Academy Summer Programs is an educational summer camp specializing in
the arts, sciences, and technology.
Fort Washington, Pennsylvania
Jun 2016 – Aug 2020

- Instructed rocketry and robotics camps where I developed cooperative academic challenges that promoted critical thinking skills and a positive learning environment
- Designed STEM-centered curriculums and project builds that were adapted for virtual learning seminars

Projects

Founder & Chief Creative Officer, Proxima Creative | proxima-creative.com
Proxima Creative is a creative design studio and consultancy.
Lower Gwynedd, Pennsylvania
2017 – Present

- Collaborate with not-for-profits and local businesses to rebrand their visual identities and deliver custom creative content (logos & style guides)
- Develop responsive and immersive HTML5/CSS3 websites utilizing JS libraries and third-party integrations from Google Analytics, Shopify, Mailchimp, etc.

Freelance Photographer, iStock by Getty Images & Shutterstock
Stock and editorial photography.
Lower Gwynedd, Pennsylvania
2018 – Present

- Implement adaptive technical workflows to deliver high-value, content-rich stock and editorial photos

Skills and Interests

Skills: HTML, CSS, jQuery, Netlify, Shopify, Google Analytics, G Suite, Office 365, Adobe Suite (Illustrator, Photoshop, Lightroom, Premiere), Final Cut Pro, Logic Pro, and Serato
